

Doral, FL – April 2, 2010 – HVAC Stores, Inc today announced that it has completed the purchase of Hollywood based GoDuctless.com.

---

“Acquiring Go Ductless will allow HVAC Stores to become stronger in the construction, industrial, and retail market segments and will enhance our ability to serve customers in the fastest-growing HVAC segment which is the Ductless Mini split Market,” said John Piquero, HVAC Stores CEO. “GD’s product diversity and strong retail expertise make it a perfect fit for HVAC Stores commitment to industry leading service for our customers by offering the broadest range of Ductless HVAC products available.

“Demand for Ductless Mini Splits continues to grow,” added John. “By integrating GD’s product line, we will be better positioned to meet that growing market demand.”

According to Josh Summers, President, HVAC Stores Internet Division, “We can better serve the needs of its customers and channel partners by providing a single source for all HVAC needs. Now more than ever, our customers need the ability to lower transaction costs, and offer special services that improve efficiencies. HVAC Stores broad and innovative product offering, industry leading fill-rates and lead times along with our distribution centers meet these needs allowing us to serve our customers needs more efficiently.

“We are particularly excited about the acquisition because it brings a variety of additional products to our product mix,” Added Summers.

“Over the past 5 years, HVAC Stores has established itself as a market force in the HVAC industry by providing innovative, high quality products and services to our customers,” summed up John. “This acquisition further solidifies HVAC Stores as the best choice for customers seeking a complete line of quality products from the industry’s lowest-cost provider.”
