

Doral, FL – April 16, 2010 – HVAC stores, Inc today has completed its acquisition of grunaire a Florida based manufacturer of Ductless Air conditioning and heating (HVAC) equipment.

---

“Today marks a new direction for HVAC stores as we build upon our commitment to provide the best products and service in the HVAC market,” said John, HVAC stores president and CEO. “While HVAC stores already Sells a full line of Ductless air conditioning equipment, this acquisition allows us to expand that product offering and better assist those serving the industry.”

Grunaire will serve as a HVAC stores Exclusive Brand designed to provide our customers with affordable, well-designed technology. The grunaire line features a wide range of HVAC ductless equipment including, Single room, two room, three room and four room cooling and heating solutions, ranging from 13 to 23 Seer efficiency ratings. “Grunaire’s quality product lineup, forward thinking and commitment to letting the homeowners take control of their home comfort products, was a moving force in HVAC stores decision for the acquisition”, said John. “The acquisition fits perfectly with HVAC stores strategy of selling quality HVAC products direct to the homeowner, while developing closer ties to its customers, Added Josh Summers, President, HVAC stores Internet Division.

“It’s very important that we forge strong relationships with our customers and remain sensitive to their needs, ” John said. “Exceeding our customers’ expectations has been a key to our success. We must continually focus on what they think is important and on what truly delivers value. Grunaire has enjoyed tremendous growth by offering quality and innovation directly to the consumer, and as our Exclusive Brand we will continue to work hard to make grunaire the brand of choice for consumers like you”, added john.
