“The launch represents one of our many new steps in our journey to change the way people shop for Air Conditioning and Heating Products”, said John Piquero, HVAC Stores CEO. HVACStores.com will bring together all of its HVAC related websites under one umbrella. ACWholesalers.com, GoDuctless.com, grunaire.com and it’s currently under construction future websites are all part of the HVACStores.com network of stores.

According to Josh Summers, President, HVAC Stores Internet Division, “We can better serve the needs of our customers by providing a single source for all HVAC needs. HVAC Stores broad and innovative product offering, will enable us to meet our growing customers needs more efficiently.

“We are particularly excited about the Launch, it builds upon broadening our product selection,” Added Summers.

The Launch also builds upon HVACStores.com strategy to be the leading Internet Marketer with the broadest product offering.

“Over the past 5 years, HVAC Stores has established itself as a market force in the HVAC industry by providing innovative, high quality products and services to our customers,” summed up John. “This Launch further solidifies HVAC Stores as the #1 choice for customers seeking a complete line of quality products from the industry’s lowest-cost provider.”
